

A wonderful Gathering of Members and Friends – December 15, 2019

For those of you who couldn't make our Annual Holiday Party last night, here are just a few pictures of our members and friends – We had a wonderful menu of food made by some magnificent cooks! Of course as in our traditions – we had plenty of wine!

The event was held at the Midtown Condominium Complex – home of Dames Mimi Howard and Julie Winchester. Our Hospitality Chair, Dame Judi Miller out did herself with decorations and menu planning! We hardly had anything left over!

Most of these gifts were donated tonight and we collected over \$1,000 in gift cards for the youth of our Belle Glade Project. That along with a few more donations our total is \$395,633. So close to our year end goal of \$400,000!!! Still time to donate sosjpb.org!

We also welcomed Renee' & Frank from the Sierra's – along with our Grand Prior! We were delighted to have so many friends to share a beautiful evening.

May these messages bring peace, love and blessings to all of you and your families.

Healthy Gabriella One of our blessings!

Yours in St. John,

Toni Mastrullo
