June 27, 2020	Guided by our motto <i>for faith, for service to humanity</i> , we collaborate on innovative programs and services that benefit the Lord's sick and poor in British Columbia.	We play a leadership role in the delivery and funding of traditional hospice projects and contemporary community-based programs that advance our Vision based on embracing three priorities: strengthening compassionate communities of care, training and education, and innovation and excellence.	Fund distribution:  —80% <i>hospice palliative care projects</i> —20% <i>innovative community programs that benefit the sick and poor</i>	VALUES (a beginning list) -partnerships with community agencies -enhancing human dignity and respecting capacity for choice -best practices in HPC -broad understanding of range of services understood as HPC.
