Celebrity Beyond

Joining Celebrity as the third ship in the Edge series, the Celebrity Beyond boasts an revolutionary design to enhance each guest experience at sea. The new two-story Sunset Bar and a redesigned Rooftop Garden brings you closer than ever to the water's edge. Young travelers can experience a new adventure every day with Camp at Sea, while adults enjoy a moment of relaxation in the SEA Thermal Suite or the adults-only Solarium. Grab a quick bite to eat at Eden Café, or indulge in fine dining at the Cosmopolitan Restaurant. Guests will find plenty of dining options onboard to satisfy each taste.

The ship offers many options for entertainment as well. Visit the Theatre for live entertainment where the lines between audience and performance are blurred, or take a stroll through the three-story Grand Plaza. The Magic Carpet also offers multi-level entertainment with breathtaking views as you soar up to thirteen stories above sea level. At the end of each exciting day, guests can retire in comfort to one of the luxurious accommodations found on the Beyond, ranging from Single Staterooms to the indulgent Panoramic Ocean View Staterooms.
